A letter that speaks for itself!

April 1st, 1921. 6 The New York Herald, 280 Broadway, New York City.

Gentlemen-In trying to trace the inquiries that are coming to us in increasing number concerning our courses in Auto instruction we are very much gratified at the evidence we have that our advertisement in The

Herald seems to be unusually productive. Not only are we getting quantity returns, we are getting quality as well. And we let you know of our gratification merely as a matter of fairness. There is no question but that The Herald, for reaching the present and prospective motor car owners, as well as those who wish to be fitted for higher grade employment in the automobile line, cannot

be beaten. Very truly yours, AMERICAN AUTO SCHOOL. 99
